Indian Village Annual

1973

# Editor's Note

The 1973 Indian Village Annual is dedicated to humor. In the following pages we'd like the readers to relax and enjoy the pictures, copy and designs that are in the book. We attempted to show that school life is enjoyable to both faculty and students. Whenever about 900 people get together, things just can't be dull.

We hope that all our readers will read the following pages with a smiling face and a happy frame of mind. We attempted to focus on the humorous not the ridiculous, the comical not the hilarious. We attempted to screen any pictures or write-ups which tended to make fun of anyone. Humor is not good humor if someone is hurt by it.

This year we wanted to choose a theme for our annual that wasn't controversial. In completing the pages around this theme, however, we found that each person has his definition of humor and what is humorous to one person or group of people isn't humorous to others. We don't want to offend anyone, only entertain. We hope that in a few years you will look back on the pages of this annual and say to yourself, "Oh, I remember when . . ."

So with these ideas in mind, I present our 1973 Indian Village Annual.

### All of Us Are Children

Some of us live in big white houses,  
some of us live in small.  
Some of our names are written on blackboards,  
some are written on walls.

Some of our dads work in factories,  
some of them stand in line.  
Some of our daddys buy us marbles,  
some of them just buy wine.

But at night you can't tell Sunday suits  
from tattered overalls.  
Then we're only children,  
children one and all.

Some of us take our lunch in boxes,  
some in paper sacks.  
Some of us kids join in the laughter,  
some hear it at our backs.

Some of our mothers sew fine linen,  
some can't sew a stitch.  
Some of our mothers dress up poorly,  
some of them dress up rich.

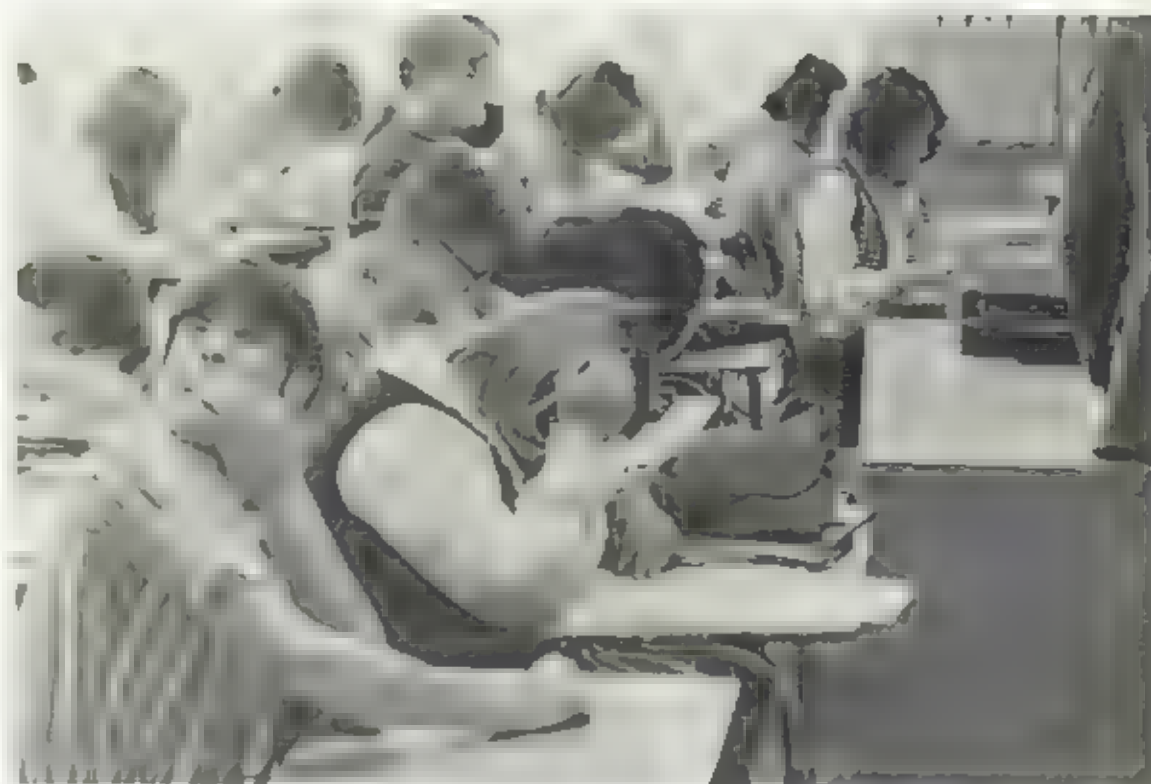

But at night you can't tell party dresses  
from hand-me-downs too small.  
Then we're only children,  
children one and all.

Some of us learn our lessons poorly,  
some of us learn them well,  
Some of us find an earthly heaven,  
some of us live in hell.

Some of us go right on a-preachin',  
without makin' too much sense  
Some of us hide behind a wall,  
some behind a fence.

But at night you can't tell picket fences  
from bricks that tower tall,  
Then we're only children,  
children one and all.

Some of us grow up tall and handsome,  
some of us grow up plain,  
Some of us own the world in ransom,  
some of us just our name.

Some of our people die in mis'ry,  
some of them die in peace.  
Some of our people die for nothing,  
but dying doesn't cease.

And at night you can't tell fancy coffins  
from boxes in the hall.  
Then we're only children,  
children one and all.

All the world may not love a lover, but all the world watches him.

Friends are folks who excuse you when you make a fool of yourself.

The pictures in this section were not intended to make fun of our faculty members. Teachers are not machines dictating to students each day. They are human beings who laugh and joke just like students. (Hard to believe, isn't it?) School would be extremely dull if teachers couldn't laugh and have fun in classrooms. And so now we would like to present the humorous side of our teachers.

## Deans And Counselors

Girls are greeted by the smiling face of Mrs. Leeth, Dean of Girls.

Mr. McCutchen, Dean of Boys, has to be a mathematical genius to keep record of all the absences.

Mr. Conrad Walcutt, Guidance Counselor, often helps a student in distress choose his next year's courses.

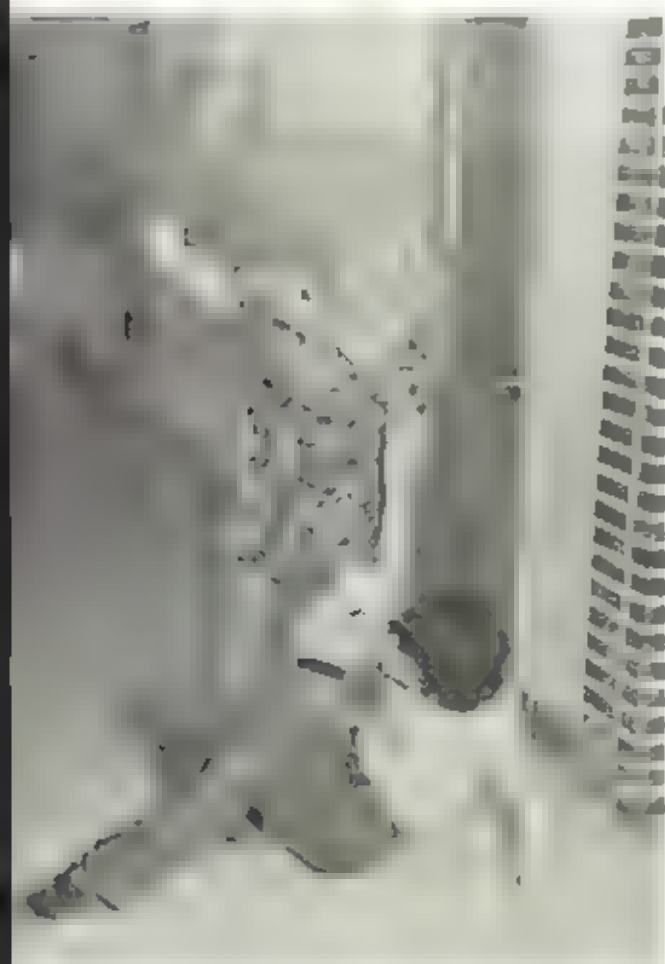

Mrs. Bonita Sanke, Guidance Counselor, is often helpful in deciding on your future.

# The Right-Hand Women

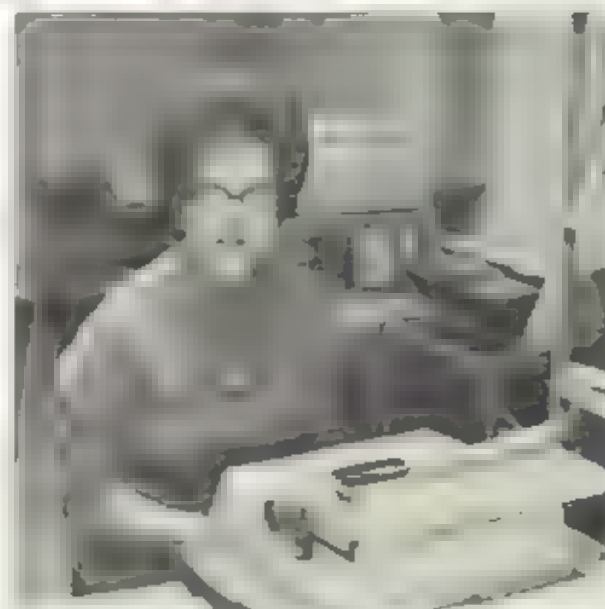

Our school secretaries, Mrs. Helen Newberger, Mrs. Evelyn Hall, and Mrs. Gloria Hudson.

Mrs. Hall seems to be having a bit of trouble with flies these days. But we hear that she is a pretty good swatter.

"Just look at this mess!"

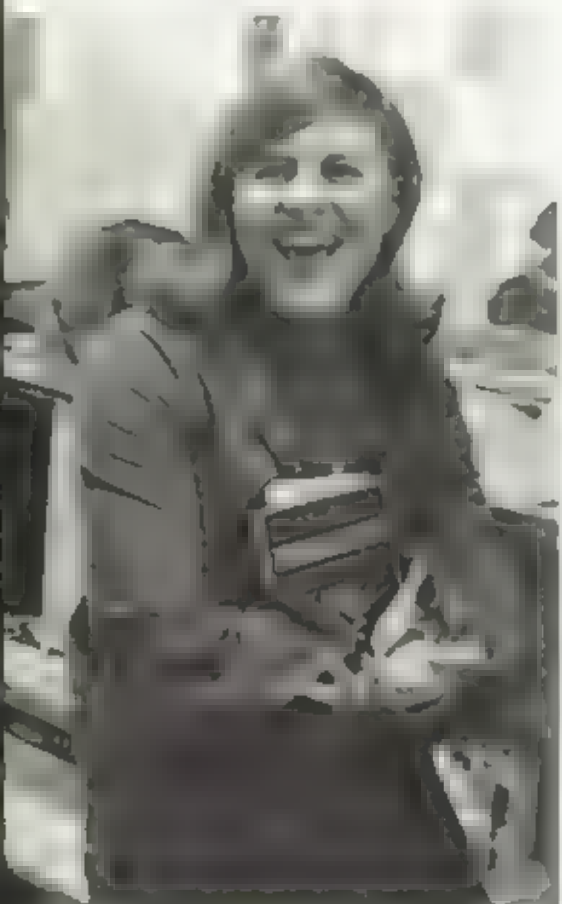

"You can't take my picture while I'm typing!"

"I saw those numbers just a little while ago."

The Upper Sandusky Philharmonic???????????

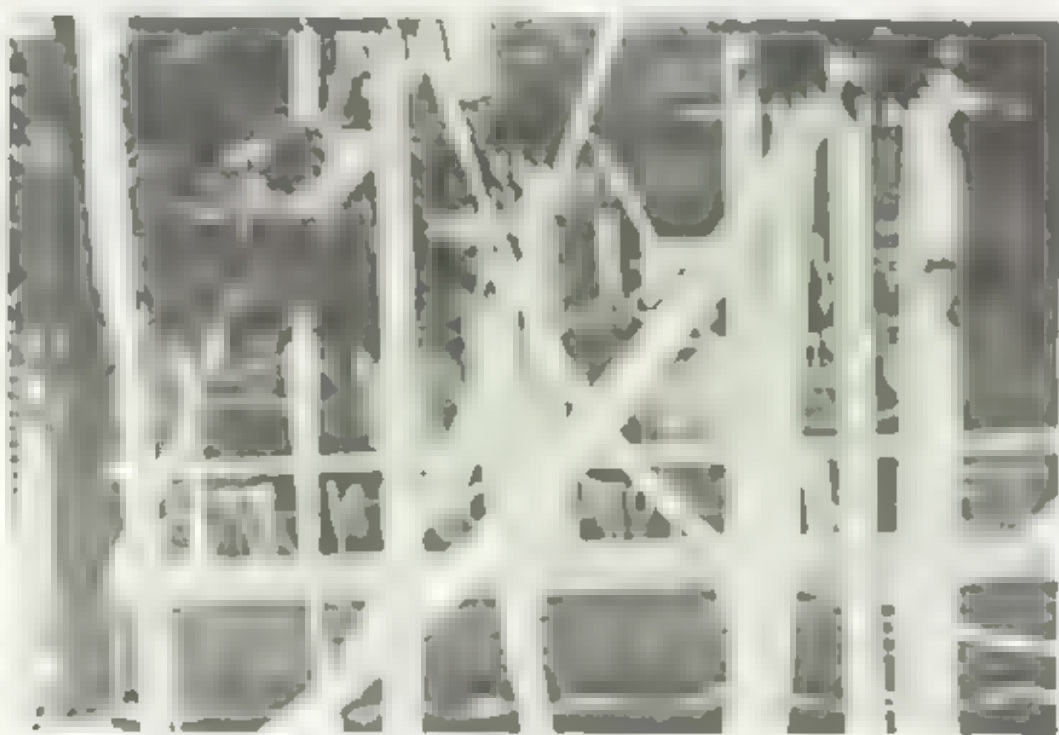

Whatever your job may be in life, here's a spot of good advice, It's nice to be mportant, but more important to be nice.

# "Rain Drops Keep Falling On My Head"

Kate Walton escorted by Denny Vaughn

Deb Bennett steps from her car as Jerry Snodgrass holds the door

Pam Flowers and Joe Niederkohr have reached the end of the long journey across the football field.

Sue Gagnon receives a helping hand from Paul Nance

Seated Queen Chris Browne. Standing L to R Pam Flowers, Sue Gagnon, Deb Bennett, and Kate Walton

September 29th brought rain falling down on the Upper Sandusky 1972-73 Homecoming Court. Queen Chris Browne was crowned by Jerry Wolf, the Student Council President. The rest of the Homecoming Court was made up of Deb Bennett, Pam Flowers, Sue Gagnon, and Kate Walton. Serving as escorts were Denny Walton, Jerry Snodgrass, Joe Niederkohr, Paul Nance, and Denny Vaughn. The rain dampened the ground, but not the spirits as the Rams Football team tied the Bucyrus Redmen with a score of 14 to 14. The evening was concluded with a Homecoming Dance planned by the Student Council

If you have charm, you don't need to have anything else, and if you don't have it, it doesn't matter what else you have.

# "Wait Until Dark"

This year's Senior Play cast includes. Standing from left to right, Randy Raymond, Brandi Smythe, Brad B. nau, and Paul Kaimbach. Seated on couch, Pam Flowers and Teresa Rowland. Seated on floor, Brian Getz and Steve Sertz.

The whole play is built around the recovery of a doll that contains "pure heroin". By mistake this doll ends in the possession of a young couple, Sam a photographer and his blind wife, Suzy. Three men, Mike, Carlino, and Roat, try to find this doll and by trickery take the doll away from Suzy. At the beginning of the play Suzy doesn't have the doll because a little girl, Gloria, who lives above the couple's basement apartment stole it. Gloria eventually returns the doll and Suzy is forced to give the doll to the only surviving man of the three criminals, Roat. However, with her skill and ingenuity even he is in for a surprise. The director was Mr. Allen Walton. The cast did a very fine job with a very difficult play.

"I wish something this exciting would happen every day."

"I'll help you, Suzy."

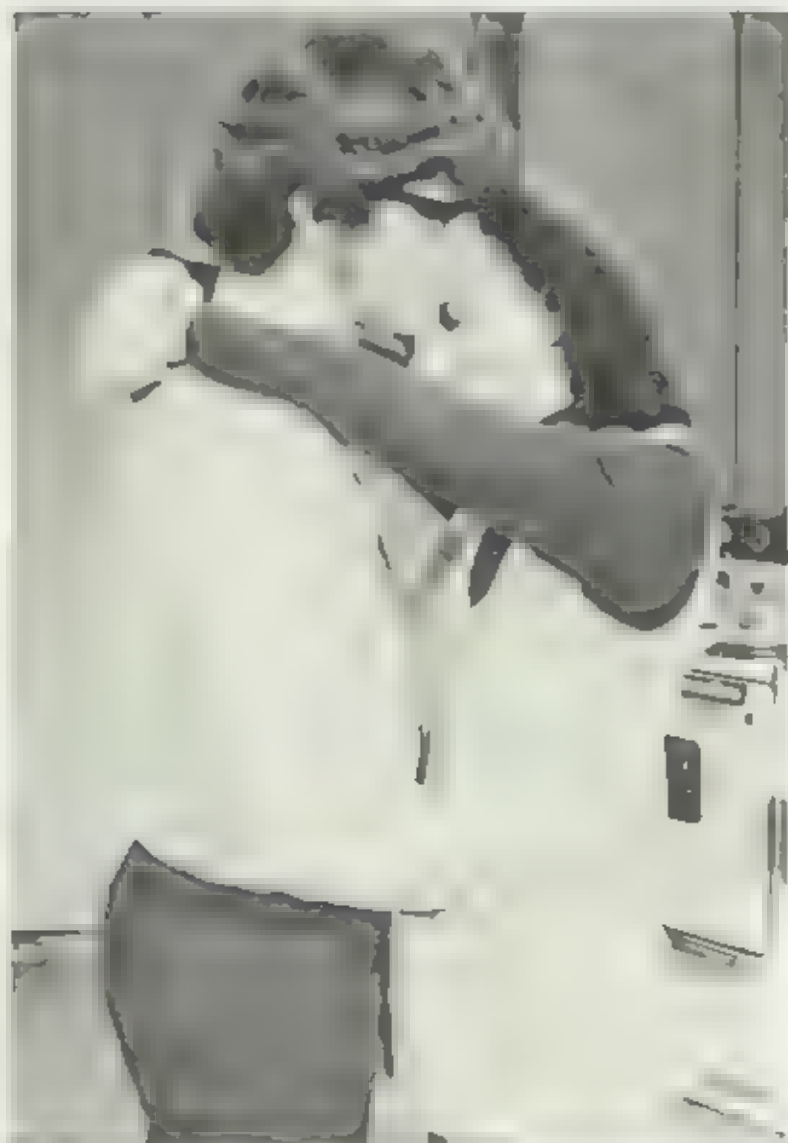

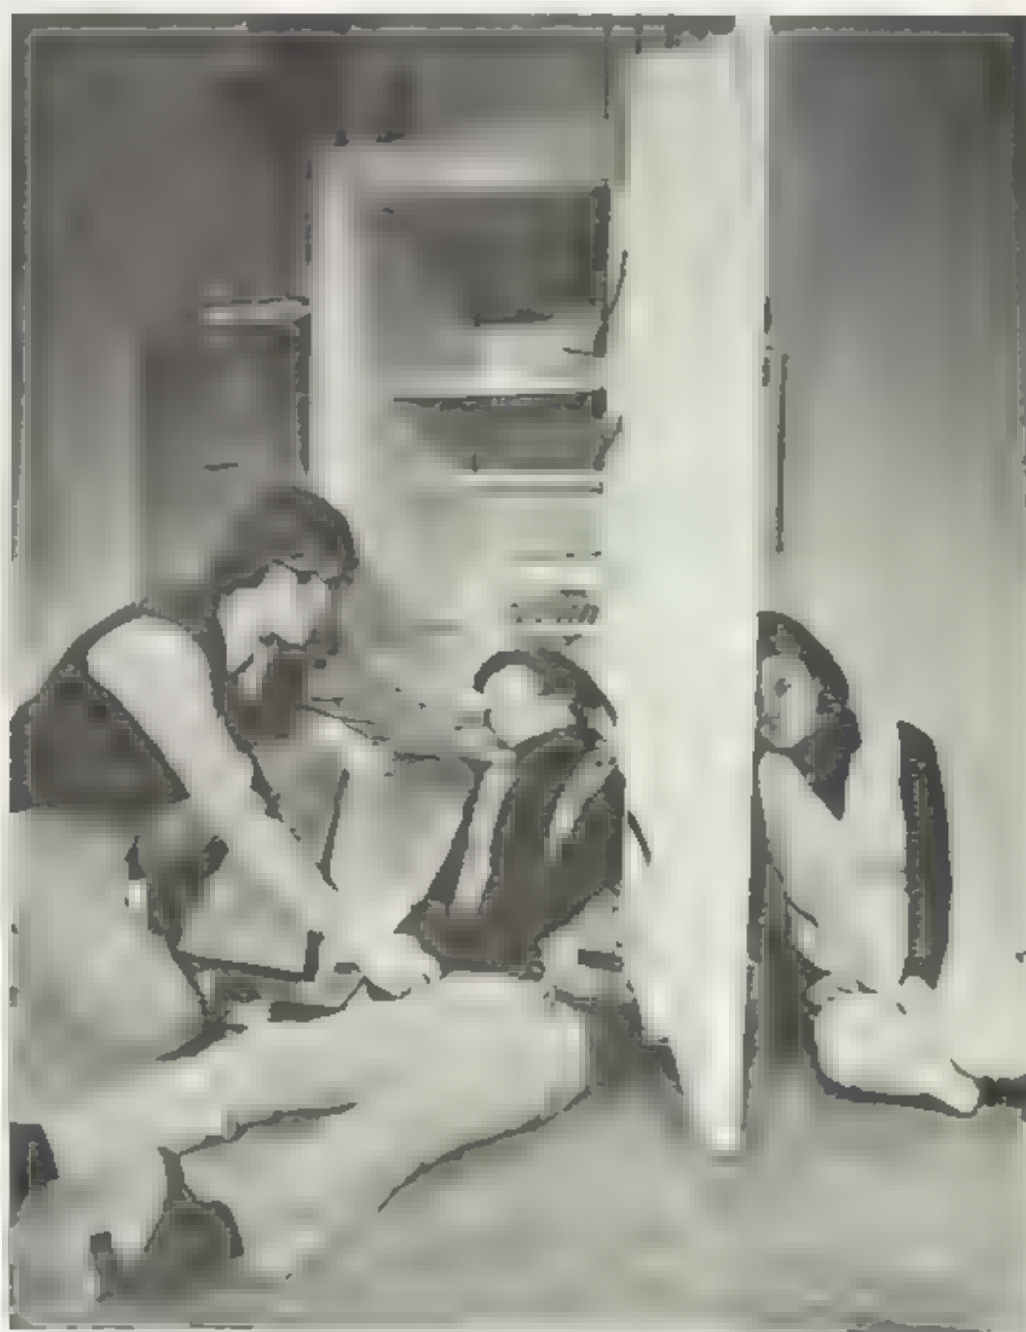

Never trust your partner in crime

At last "

"I don't know what I'd do without you, Sam."

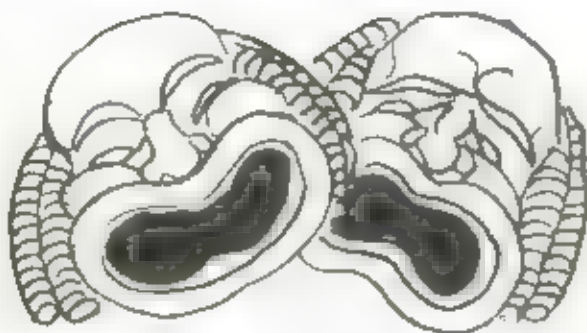

Sometimes there is safety in dark corners.

## Juniors present the "Stuck Pot"

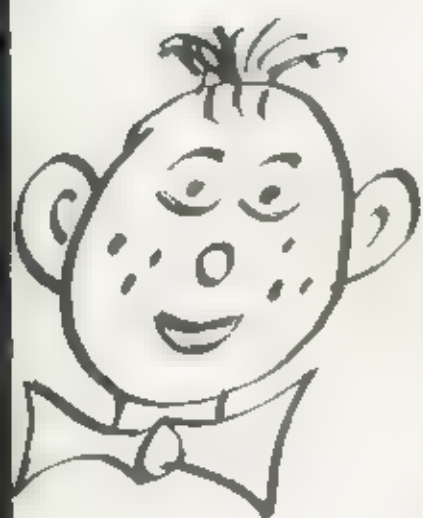

Some boy is always getting stuck with a "lemon" for his date at the annual dance of Jason Boys' School and Worthington Women's Academy. This year the boys have decided to chip in and create a consolation prize, the "Stuck Pot." It held almost \$200 for the boy who gets "stuck." Word reaches the girls, and they retaliate by establishing a "Stuck Pot" of their own. So much money is collected for the two "Stuck Pots" that everyone (almost) wants to win! Hilarity follows as the girls try to outdo themselves to be the most unattractive. Alice outdoes them all by using a Hydrogen Sulfide perfume and wins the "Stuck Pot" and a boyfriend, who happens to be rich, and a whiz in Chemistry. What will they think of next!

# Stuck Pot?"

Oops, excuse me

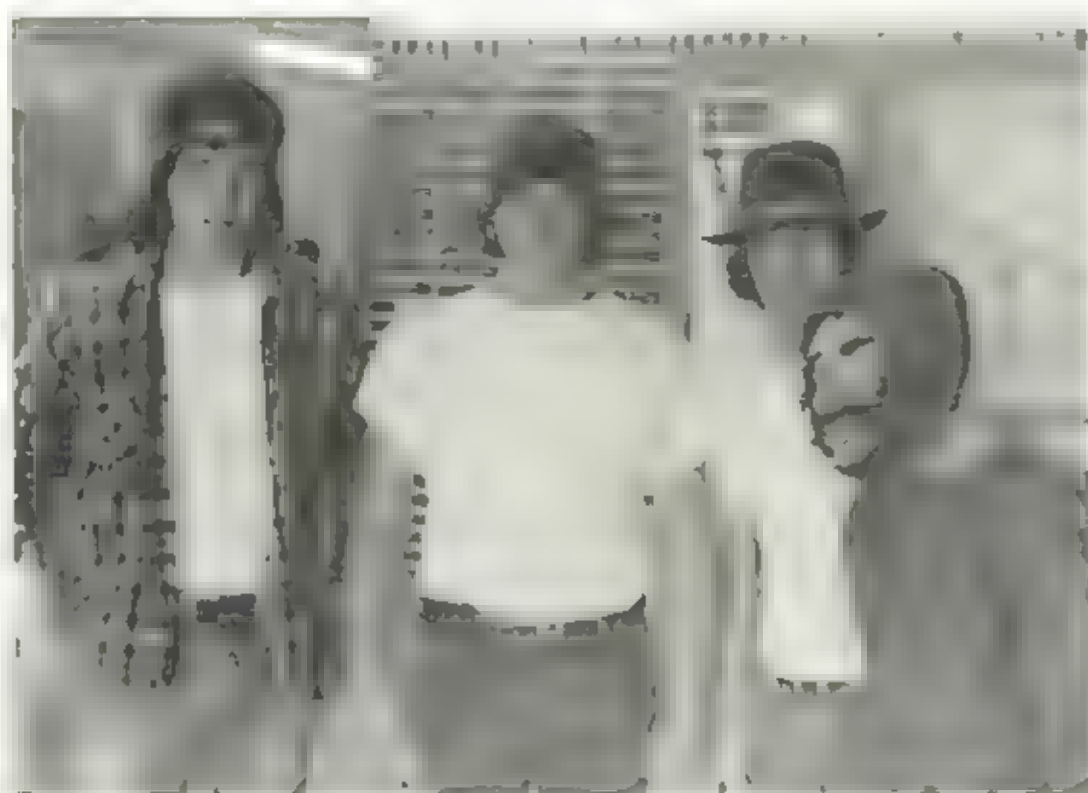

Do you realize that you could get kicked for coming into a Girls' Dorm?"

One teen-age girl to another: "I discarded Patrick three weeks ago but I'm thinking of recycling him."

## Key Club Unlocks A Bright Future

This year's Key Club sponsored several new projects including a Christmas welfare project to collect and distribute toys and money to needy families in the community, and co-sponsored the annual Christmas Dance with Hi-Teens. This organization is also responsible for: the distribution of the orange and black flags for varsity games, the Red Cross flags when the bloodmobile is in town, the collection of used glass bottles to be recycled for future use, and collection of money for the Heart Fund Drive. Their money-raising activities included a hayride in the fall and a Slave Day. The Key Club is represented at the Kiwanis dinners each Tuesday and various other Kiwanis functions throughout the year.

The Industrial Arts Club consists of a group of students who have elected to further their interest and knowledge in the area of industry and technology. Through their association in the club they become more aware of the occupations, problems, and techniques of industry. The club has toured several industries this year, including Cooper Tire & Rubber of Findlay, and United Aircraft of Forest. The club also provides social and intellectual growth for the members. The club meets regularly twice each month during the school year.

## FFA Has Many Projects

They may not look like farmers, but they sure know how to grow bulletin boards. This year's F.F.A. Officers are President, Frank Orians; Vice President, Jerry Wolf; Secretary, Ken Beamer; Treasurer, Bruce Schoenberger; Reporter, Tim Quail; Sentinel, Mark Gillen; and Advisor, Mr. Ron Clark. Their many activities include a Land Judging Team, Livestock Judging Team, Wool Judging Team, Creed Contest, Public Speaking Contest, Tractor Trouble Shooting Contest, Poultry Team, and Pest Hunting.

FFA members became concerned with the school's appearance and took charge of building a school bulletin board.

# "Of The Students, For The Students, and By The Students"

A good Student Council is active in school life. The U.S.H.S. Student Council has many activities behind it to prove that they were successful. Under the leadership of their officers, Jerry Wolf, President; Bitsy Strasser, Vice President; Penny Clark, Secretary; Deb Bennett, Treasurer; and Mr. Thomas Baker, Advisor, the Student Council planned and carried out a beautiful Homecoming program, including pre-game ceremonies, crowning ceremonies, sale of mums, and the homecoming dance.

After Homecoming the Student Council was busy setting up a student exchange with Carey High School. In December they took time out of their busy schedule to decorate a Christmas tree for the Commons.

# Hi-Teens Holds Hi-Spirit

Hi-Teens is an all female organization formed to give young ladies the experience of belonging to a highly active club. Hi-Teens support an orphan through World Vision, plan and carry-out the USHS Thanksgiving assembly, and sponsor a hayride. The biggest social event of the year, excluding the Prom, is the annual Hi-Teens Christmas Dance. This year's dance was co-sponsored by the Key Club. The evening of December 23rd turned the cafeteria into a romantic ballroom where everyone was caught in the magic of the moment.

Pictured at the left is Kim Kyung Sook, Hi-Teens' Korean orphan. The sponsorship of Kyung Sook was first started in 1963. Through annual gifts Hi-Teens has helped Kim Kyung Sook who is now 14 years old.

Besides selling buttons they had a bowling party, ice-skating party, sponsored a scholarship for a business student and a car-wash. To end the year's activities a banquet was held at the Village Restaurant for members.

A nursing shortage will never develop if all the enthusiastic FNA members carry their plans through. FNA enables girls to get an idea on the nursing profession and on helping others. Some of their most enriching activities have included: candystripping at the hospital and at Fairhaven Home, and inviting guest speakers to their meetings.

# "TGIF!"

"Thank goodness it's Friday" is practically a universal cry of students throughout the world. While most students are anxious about finishing school as soon as possible, there is a group of students who plan to spend the rest of their life in school. This group is the FTA. Their activities include sponsoring a scholarship, sponsoring a dance after a basketball game, substituting for teachers when needed, helping teachers grade papers, and helping tutor students. This year at the District FTA Convent on the LSHS FTA won permanent possession of the speech trophy. Connie Koehler gave the winning speech which was the third in a row for LSHS. Sherry Robinson was selected as District Parliamentarian. Each Spring the FTA closes its year by observing at the Upper Sandusky School District Grade Schools and the Junior High School.

## Toward New Horizons

The objectives of the 1972-73 FHA Club are 1) to strengthen bonds within the family and between the family and the community, 2) to help youth comprehend the problems of society and contribute to their solutions. Many people are necessary to carry out an effective FHA program. At USHS these people include: Advisors, Mrs. Robert Frederick and Mrs. Richard Lininger, Chapter Mothers, Mrs. Robert Clinger and Mrs. Dwight Sanderson, President, Miss Nancy Roberts, Vice President, Miss Camille Alison, Secretary, Miss Pat Courtad, Treasurer Reporter, Miss Becky Sanderson, Song Leader, Miss Susan Droll; Parliamentarian, Miss Sue Frey.

USHS FHA is also proud to have two of its members serve as county officers. They are President Miss Becky Sanderson and Secretary-Miss Darlene Clinger.

# Art Club Brushes Up On Their Talents

This year's Art Club Officers are Debbie Overmier, President; Chris Schuster, Vice President; Linda Moran, Secretary; Cindy Richardson, Treasurer; and Mr. Hissong, Advisor. Throughout the school year the Art Club has many opportunities to show off their abilities to the school and the community. Almost everyone has seen their magnificent works of art at Halloween and Christmas on store windows. Their talent is also often displayed in the two showcases in the commons and in the front entrance.

# What's "Orange and Black" and Read All Over?

Deb Overmier and Connie Savidge, co-editors of the Orange and Black, meet a demanding deadline every week to bring to the student body the USHS NEWS. ## Annual Staff Turns Topsy Turvy

Well we can't be perfect all the time, but we try.

Putting together an annual is a lot more time consuming than one could imagine. This year the staff found out what work was as they tried to put together an annual that would suit everyone. Time and tempers flew, but finally it was finished. Everyone put forth his or her best efforts to make this annual a success. We hope our time was well spent.

## "Service With A Smile"

Do you remember seeing a smiling young lady walking through the hallways, and wishing you could get out of class to run errands? Being an office helper or a librarian is an education in itself. The best way to describe it, is a cross between a track star and a model secretary. Office helpers type absence lists, run messages to teachers and students, and every other odd job imaginable in an office. The librarians shelf books, take passes to study hall, and help students find information in the library.

## BAND

### Marching Band

The highlight of the 1973 marching band season was the band's performance at the Fairborn Marching Band Contest. This was the first year the marching band competed in a statewide contest and they placed second in field of more than twenty other bands. Even though practice was hampered because of rain, the band put together a splendid show in a few short weeks. The marching musicians played **Light Sings**, **Get It On**, **Free**, and as the finale **MacArthur Park**. Over the last four years the band has steadily improved under the direction of Mr. James McDonald. They are looking forward to no less than a first place finish next year.

### Concert Band

The Concert Band is composed of freshmen and sophomores and performs at the Winter and Spring Concerts. The band also goes to contest in March to compete. Mr. McDonald is constantly raising the standards of the Concert Band to improve its quality. It is without a doubt a better group of musicians than many other symphonic bands around the state.

### Symphonic Band

Composed of seniors, juniors and a few select sophomores, the Symphonic Band performs at both the Winter and Spring Concerts. The band also competes at contest in the spring. The band has many skilled musicians making it up. Their hard work and dedication has made Upper Sandusky synonymous with quality in the musical circles around the state.

## CHOIR

### Concert Choir

Ninety-six juniors and seniors were selected from the 140 who auditioned for membership in this year's Concert Choir. The choir sang for the Thanksgiving Assembly in November. In December they presented their annual Christmas Concert which was broadcasted over WMRN radio in Marion. The month of February included district choir festival for 25 singers. During March the singers participated in Solo and Ensemble Contest and the Music Boosters Smorgasbord. April featured several choir members singing lead parts in the musical **Li'l Abner** and The Community Easter Sunrise Service. The month of May was highlighted by the Spring Concert.

The Upper Twenty which entertained at local functions were chosen from the Concert Choir.

### Sophomore Choir

The Sophomore Choir had 90 members and sang for 2 concerts and the music smorgasbord. Several members participated in the District Music Festival, Solo and Ensemble Contest and **Li'l Abner**.

The Sophomore Twenty worked to provide special music for the Christmas Concert and the Junior Senior Prom.

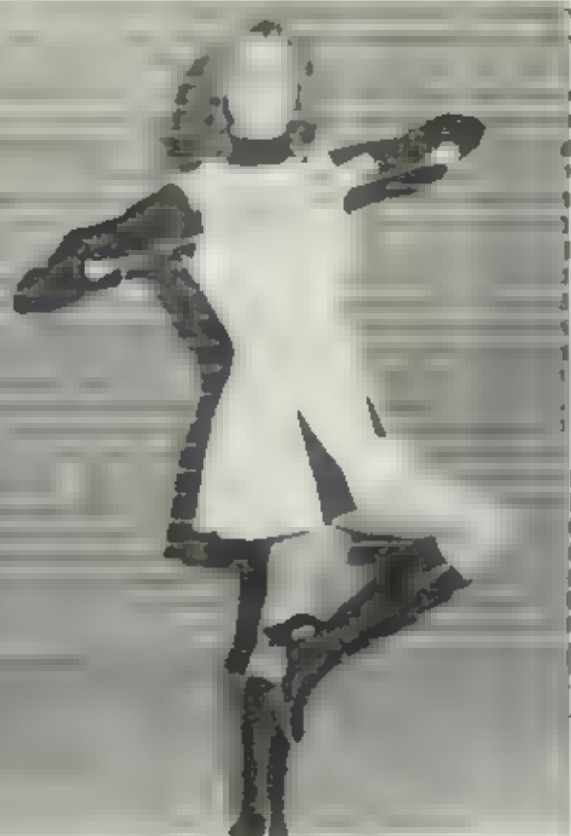

### Freshman Choir

Mr. Ehrman's Freshman Chorus consisted of 95 members. During the year they proved themselves a fine group with the ability to sing difficult music. They sang for 2 concerts and the Music Smorgasbord. Many students participated in various music contests.

The Freshman Twenty consisted of the better voices in the choir and prepared for their future in Sophomore and Upper Twenty.

Remember when you attended home basketball games? Straight from the corner came our fight song played by the members of the Pep Band. These kids seem to create an atmosphere of pep. # 1972

The Fighting Rams started out the season on a hopeful note by defeating Delphos St. John 6-0 in the first meeting ever of the two schools. The remainder of the season, however, proved to be somewhat disappointing. Throughout the following eight games the best the Rams could do was to muster a 14-14 Homecoming tie against Bucyrus. Their 1-7-1 record did not tell the whole story, however. On several occasions the Rams were close to victory losing by a single touchdown or less. Never giving up, the Rams gave it their all each Friday night. No one can discredit the hard work and diligence displayed by the members of the 1972-73 Fighting Rams.

This year's Freshman Rams had a very successful season finishing with a record of 5-1-1. The team showed fine balance and depth holding their first three opponents scoreless and losing only the final game of the season. Coached by Mr. Paul Hostettler and Mr. Tom Patton, the team gained valuable experience which will be useful to them as they look forward to next year.

The Rams' coaching staff had a new face this year in the person of Mr. Ron Reinking. Under head coach Mr. Ralph Young, the staff was rounded out with Mr. Jim Meeker, Mr. Jim Morrison, Mr. Larry Bondy, Mr. Bill Miller, and Mr. Jim Hughes.

1972-73 Varsity Cheerleaders are Babs Gottfried, Pam Flowers, Bitsy Strasser, Kate Walton, Jill Stone, and Jan Wilson.

Making signs for pep, like the one above, is one of the cheerleaders' favorite pastimes.

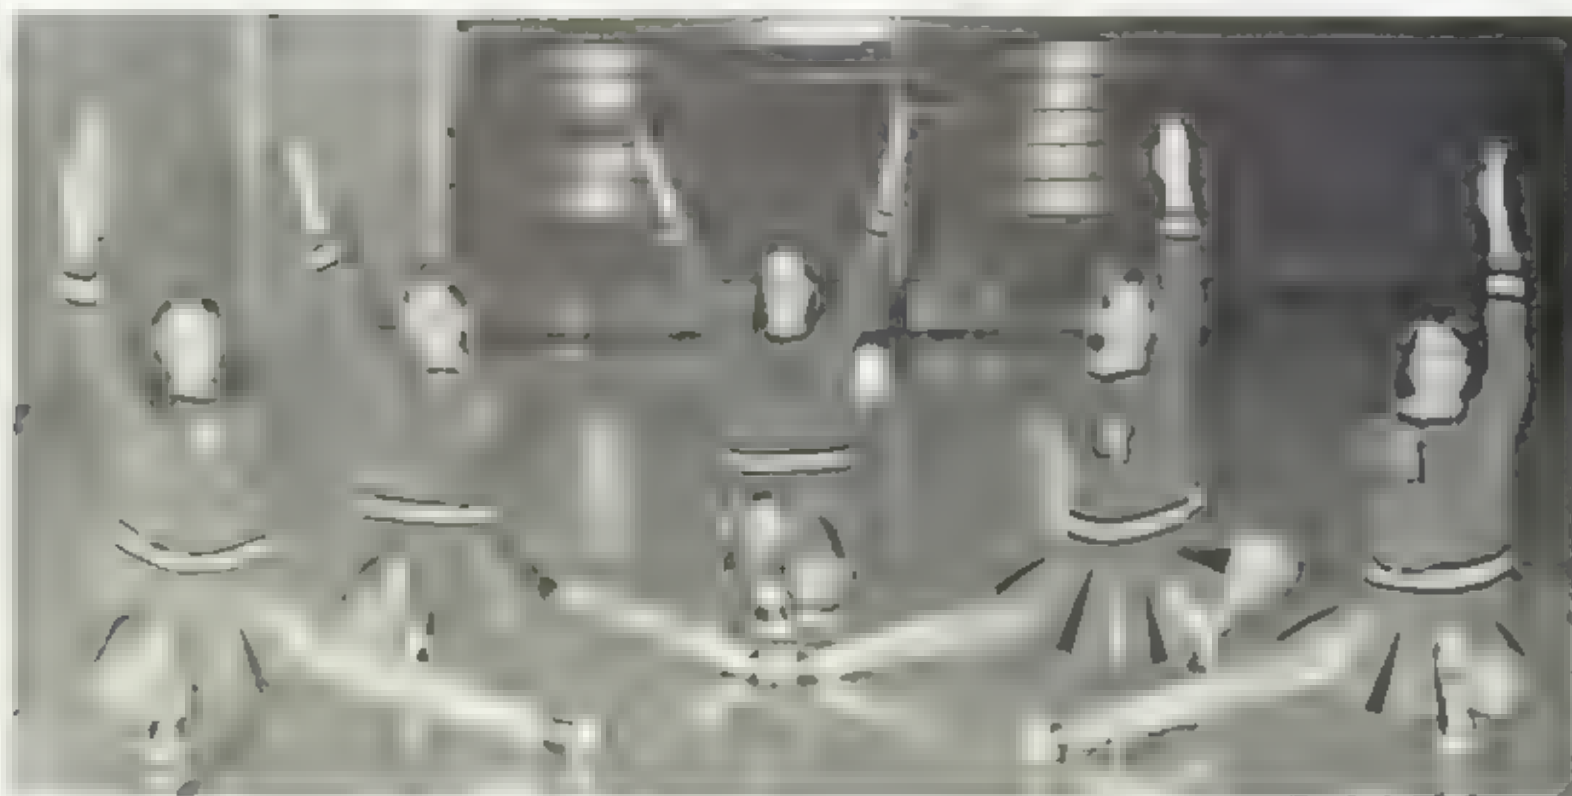

The Little People brought us entertainment for two of our Pep Rallies.

There are about 100,000 useless words in the English language, but they sure come in handy at basketball games.

1972-73 Varsity Basketball Team

This year's Varsity basketball squad proved to be one of the best ever at U.S.H.S. The Rams were runners-up in the N.O.L., second only to undefeated Willard. The team finished the regular season with an excellent 15-3 record, losing only to Tiffin and the powerful Willard team. The second match with Willard found the Rams on the losing end by a scant four points. Nevertheless, the game was a thriller from start to finish and was without a doubt the highlight of the basketball season. Led by captain Jerry Snodgrass, the team's hard work and brilliant play brought a winning tradition back to U.S.H.S.

Reserve Basketball Team.

The Reserve Rams finished the season with a mark of 4-14. Lady Luck did not treat the Rams too kindly on several occasions as the team saw a lead vanish or the ball take an untimely bounce. A well balanced squad, many players gained valuable experience for their future varsity days.

# Frosh

1972-73 Freshman Basketball Team

This year's Freshman basketball team finished the season with a respectable 6-8 mark. It was a well balanced team, and nearly everyone played each game. When the young Rams were playing up to their potential, they proved to be tough customers, defeating several very strong opponents. These boys gained valuable experience this year and the future looks bright for basketball at U.S.H.S.

# Wrestling

Varsity Ram Wrestlers

The wrestling program at U.S.H.S. has been growing steadily since its inception four years ago. This year's squad laid a sturdy block in the foundation as several wrestlers of outstanding caliber developed to lead the team to five victories against four defeats in individual matches. With only three seniors departing, next year would seem to hold exciting possibilities for wrestling fans at U.S.H.S.

Senior Tim Wood braces himself against his opponent enroute to a second place finish in the N.O.L. Tournament.
